

CULTURAL ICEBERG*

How does this apply to the *Learning Culture*?

What Learning Culture exists in classrooms, academic programs or support services?

- ♦ *Is the Learning Culture **validating of students**, does it promote an **increased sense of belonging**, and does it facilitate **student engagement and expectations**?*
- ♦ *Is the Learning Culture explicit & clear to all OR implied & unknown to many?*
- ♦ *Is the Learning Culture supported with positive, proactive language?*
