

MESA Day Competition
Contest Appeals Form

An Appeal Form is submitted when the student believes his/her project has been disqualified in error. An Appeal Form is not to be used to disqualify another student's project. The following are NOT valid arguments for filing an appeal: Students' rules were different at the prelims; Students' Advisor or Center Director did not provide rules; Competition was judged differently at the prelims.

The Appeal Form MUST be completed submitted by the student. An advisor cannot accompany a student during the appeals presentation. Only students may present an appeal.
